# WOODMOOR<sup>®</sup> Shingles

## Natural beauty made even better.

Bold, rustic **Woodmoor**<sup>®</sup> Shingles are designed to transform your home with the extra-thick dimension and rich texture reminiscent of wood shake but with greater durability and less maintenance. They also offer peace of mind by meeting the highest fire-resistance standards in the industry. Best of all, Woodmoor<sup>®</sup> Shingles are available in six distinctive color blends that are inspired by nature but not limited by it — giving your roof a pop of color you can't get from real wood. To add even more dimension and style to your home, be sure to pair your Woodmoor<sup>®</sup> Shingles with our color-matched Owens Corning<sup>®</sup> Hip & Ridge Shingles.

- Limited Lifetime Warranty<sup>\*/‡</sup> (for as long as you own your home)
- 110/130-MPH Wind Resistance Limited Warranty<sup>\*/\*\*</sup>
- StreakGuard™ Protection with a 25-year Algae Resistance Limited Warranty.<sup>3/5</sup>

Carbon<sup>1</sup>

Chestnut<sup>1</sup>

Granite<sup>1</sup>

Mesquite<sup>1</sup>

Sycamore<sup>1</sup>

Timber<sup>1</sup>

## COLOR DISCLAIMER

As color experts, we know getting the shingle color right is a big part of any roofing purchase. Due to printing color variations, in addition to viewing shingle literature, we suggest you request an actual shingle sample to see how it will appear on your home and with your home's exterior elements in various natural lighting conditions. Lastly, we recommend you verify your color choice by seeing it installed on an actual home; your roofing contractor or supplier can provide a sample and may be able to direct you to a local installation.

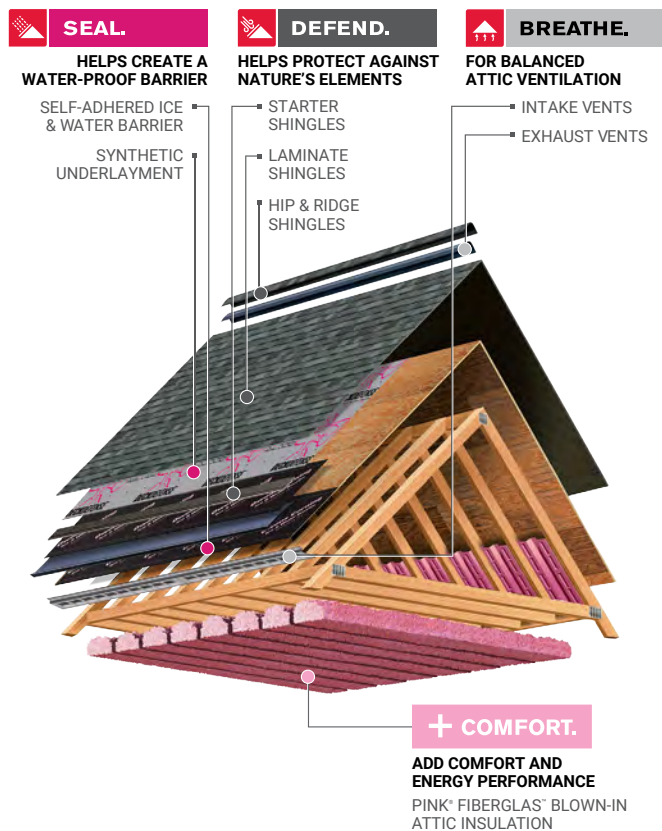

# TOTAL PROTECTION. TOTAL CONFIDENCE.®

The most important part of the roof?  
All of them.

It takes more than just shingles to protect a home. It takes an integrated system of components and layers designed to withstand the forces of nature outside while controlling temperature and humidity inside. The Owens Corning® Total Protection Roofing System\*^ gives your customers the assurance that all of their Owens Corning® roofing components are working together to help increase the performance of the roof — and to enhance the comfort and enjoyment of those who live beneath it.
